

FOR IMMEDIATE RELEASE 1st June 2023.

Hi5 E-Bikes Joins Forces with Trike Bike Australia as Local Representatives in Adelaide, Melbourne, and Sydney.

Gold Coast - Australia, 1st June 2023. – Trike Bike Australia is thrilled to announce an exciting partnership with Hi5 E-Bikes, establishing them as our esteemed local representatives in Adelaide, Melbourne, and Sydney. This collaboration brings together two industry leaders, combining the expertise of Trike Bike Australia in tricycles and the exceptional electric bicycle offerings of Hi5 E-Bikes.

With this strategic alliance, customers in these major Australian cities can now explore a comprehensive range of electric tricycles, all conveniently available for display and test rides at Hi5 E-Bikes showrooms. This expansion allows individuals of all ages and abilities to experience the joy and freedom of riding a top-quality electric tricycle.

Hi5 E-Bikes prides itself on offering cutting-edge electric bicycles, and their partnership with Trike Bike Australia further solidifies their commitment to providing innovative mobility solutions. From city commutes to outdoor adventures, electric tricycles offer enhanced stability, comfort, and eco-friendly transportation options.

The collaboration between Trike Bike Australia and Hi5 E-Bikes not only allows customers to discover an extensive selection of electric tricycles, but it also brings together a wealth of knowledge, expertise, and exceptional customer service. The shared vision of both companies is to empower individuals to embrace an active and sustainable lifestyle.

"We are excited to join forces with Hi5 E-Bikes and extend our reach to customers in Adelaide, Melbourne, and Sydney," said Michael Coates, Managing Director of Trike Bike Australia.

"Through this partnership, we aim to provide unparalleled access to electric tricycles, enabling more individuals to enjoy the benefits of this innovative mode of transportation."

As part of the collaboration, Hi5 E-Bikes will display the best in electric tricycles in their showrooms, allowing customers to explore and compare various models of Trike Bike's electric tricycles. Their knowledgeable staff will be on hand to provide expert guidance and assist customers in finding the perfect electric tricycle to suit their needs.

For those interested in test riding or purchasing an electric tricycle, visit the Hi5 E-Bikes showrooms in Adelaide, Melbourne, and Sydney. The address details are as follows:
